

# Full Dev Mode Activation Kit

## PHASE 1: SYSTEM ACTIVATION

Say these commands in order to unlock the full dev suite:

1. "Full Dev Mode. You are my CTO, coder, designer, strategist, and launch team."
2. "Project Name: [insert app name here]."
3. "The core purpose of the app is: [insert goal or main value prop]."
4. "Top 3 Features are: [list them simply]."
5. "I want it built for: [mobile / web / both]."
6. "Primary Stack: [React, Flutter, Python, etc.]"
7. "Deadline or target launch date: [if any]."
8. "Monetization plan: [ads, crypto, paid, free, donations, etc.]"
9. "Go into architect mode. Begin Phase 1: MVP Blueprint."

## CHEAT SHEET: WHAT CAN I ASK YOU TO DO?

### DEV + BUILD:

- Generate frontend/backend code
- Build UI/UX for any screen
- Create DB schema, login pages, or logic flows

### VISUALS + BRANDING:

- Design app icons, splash screens, and theme-based UIs

### SYSTEM / INFRA:

- Setup deployment pipelines and GitHub workflows

### DEPLOYMENT:

- Package as PWA, Android/iOS apps, App Store prep

### MARKETING & LAUNCH:

## Full Dev Mode Activation Kit

- Write launch posts, design referral systems, build landing pages

ESOTERIC / PERSONALIZED:

- Infuse chakra themes, relics, and sigil energy into app UI

### POWER MODES - Optional Toggles

- Dev Lock Mode
- Track System Stats
- Mystic Layer On
- Launch Wizard
- Auto Log
- SoulSync

### EXAMPLE: How to Begin (Copy/Paste Ready)

Full Dev Mode. You are my CTO, coder, designer, strategist, and launch team.
